The TOPS Stewardship Program is a division within the Regional Parks system that focuses on environmental education and fostering connections between park users and the park itself. We offer a variety of programming, including our Traveling Trunks series, which covers several "ologies" and meets the current Colorado Science Standards. We have a large offering of Leave No Trace programming which can be adapted to any grade, timeframe, or location.

**Type of Activity Offered**

- Demonstration or Presentation
- Hands-On Activities
- Arts and Crafts
- Tours/Field Trips

**Subjects Offered**

- Sciences
- Social Studies/History
- Engineering/Design
- Environmental Stewardship

**Topics Offered**

- Water
- Geology/Botany
- Energy
- Engineering/Building
- State or local History
- Leave No Trace Outdoor Ethics

Programs offered virtually? Yes

Programs available in Spanish? No

Fee information: Free, in some cases, we may be able to provide transportation for field trips.

## Cool Science

Contact: Marc Straub, Executive Director

[✉Email](#)

[Website](#)

[↑Top](#)

Cool Science is a home-grown 501(c)(3) whose mission is to promote the understanding and wonder of science. Our passionate volunteers- mostly real scientists, engineers and educators- provide a variety of engaging, intimidation-free and interactive learning experiences in schools, libraries and other public places across Colorado.

### Type of Activity Offered

- Demonstration or Presentation
- Hands-On Activities
- Arts and Crafts
- Science/STEM/STEAM Nights
- "Zoom with a Scientist" virtual Q&A sessions for classes
- Annual Colorado Springs Cool Science Festival and Carnival Day for kids (October)

### Subjects Offered

- Sciences
- Technology
- Engineering
- Art
- Math (STEAM)

### Topics Offered

- Energy
- Engineering/Building
- Chemistry/Physics
- Water
- Wildlife/Biology/Ecology
- Math
- Space/Astronomy
- Geology/Botany

Programs offered virtually? Yes, Virtual or Hybrid (physical equipment and materials provided/delivered while live program is presented virtually) versions of most activities

Programs available in Spanish? No

Fee information: Our fees are flexible and always based on the school's ability to pay. We never turn away any school because they cannot pay.

## Colorado Springs Fire Department

Contact: Sunny Smaldino

[✉ Email](#)

[Website](#)

[↑ Top](#)

The Colorado Springs Fire Department provided fire, emergency and prevention services with professionalism, compassion and excellence.

### Type of Activity Offered

- Demonstration or Presentation
- Hands-On Activities
- Worksheets
- Storytelling
- Arts and Crafts
- Tours/Field Trips

### Subjects Offered

- Sciences
- Health & Safety
- Reading/Writing
- Math

### Topics Offered

- Chemistry/Physics
- Geology/Botany
- State or local History
- Wildlife/Biology/Ecology
- Home and school fire safety
- Injury prevention

Programs offered virtually? Yes

Programs available in Spanish? No

Fee information: Free

Teachers: The CSFD's SchoolLink program is an integrated risk reduction program that provides school administrators, faculty and staff with the education and resources to have a fire-safe school. The program helps schools with mandatory fire reporting, avoiding common fire code violations, evacuation planning and drill practice as well as how to refer a student that has misused fire.
